Welcome to buy Flat Head Self Tapping Screw from us. Every request from customers is being replied within 24 hours. As the professional manufacture, Linhui would like to provide you Flat Head Self Tapping Screw. And we will offer you the best after-sale service and timely delivery.

## Product Description

Linhui Standard Parts is a professional Flat Head Self Tapping Screw manufacturer and supplier in China. With superior quality, competitive price, timely delivery and nice package, we have gained good name from our clients. Self-Tapping screws come in all sizes and tip types, and they have various shaped heads. We warmly welcome you to contact us and build a long-term businessship.

Flat Head Self Tapping Screw is a low-profile type typically used where cladding is to be fixed over the top, including where plasterboard is fixed to a steel house frame. It is imperative that the head sits absolutely flat. By using screwdriver to attach a self-tapping screw, you can create precisely fitted threads. Self-Tapping screws come in all sizes and tip types, and they have various shaped heads.
