Product Description

LinHui Standard Parts is a professional **Pozi Double Countersunk Head Chipboard Screw** manufacturer and supplier in China. We serve superior quality, competitive price, timely delivery and nice package. Welcome to contact us and we are expecting to build long-term business ship with you.

Pozi Double Countersunk Head Chipboard Screws have a thin shaft and coarse full thread, designed for use in chipboard, various types of wood or other low density substrates. The thread runs along the entirety of the screw, to the underside of the head, making these Pozi Countersunk Chipboard Screws ideal in situations where a strong hold is required. They are commonly used in garden decking. Otherwise referred to as Particleboard screws, these screws are often used for other general purpose joinery applications such as attaching handles and hinges.
